

Alone again
Future in question
How do I get there?
From here...

Huge dreams, hard work
Save money, swing big
but here I am
Alone again

Fly high, meet greats
Go crazy, Kiss her
Build things, Read more
and question, not yet?

Head down, head up
Think hard, act now
it all comes back to how,
when I'm at my desk
Alone again

Try harder, try more
Be smarter, keep score
It is a circle
or at least a cycle
and here I am at the start
Alone again
