

Smooth is Fast
Flow is Fast
Efficiency

1 input for multiple outputs

Dial'd

It is the point where supply meets demand
where powers are unlocked

Resources optimized

Mind focused

And greatness begins

It is where the challenge is just above skill

Clear goals, high stakes

Immediate feedback.

Body poised

It is where adrenaline dumps as output widens

Some break, others shine

Stress soars

So do skills

Chase it, love it

Get it and you got hit
with your potential
