

The sun has set
The light is gone
Another day around the sun

The world slows down
Cricket creak, birds roost
and owls go hoot hoot

Questions asked thoughts pondered
Reflection Time then rest
Have I done my best?

Competed against only me?
Loved hard, dreamed big?
Time is short, we know.

Deep breath now rest
Let eyes be heavy
And body be deeply ready

Breathe slow, center self
Cuddle in, rest fully
Focus on where you are

You are loved
You are yours
Now go take
Dreamland tours
