

Deep Breath, find stillness
Slow down, go inward

Be water, on a calm day
Be wind, whispering through trees
Be earth, solid and unmoving
Be fire, burning inside.
Let it all Be.

Be as you are.
Are you who you want?
Want to change?
Change you will.
Will it hurt?
Hurt is hunger
Hunger to grow
Grow you will.
Will it take work?
Work is confidence
Confidence you'll have.
The world you will
