

Heart Aches, Body Tired
Mind Wired, Breathe Deep
Path steep, Thoughts Race
Fast Pace, No Frown
Don't drown, Focus Now
On How, To Fly

Strong Why, much pain
No Bane, control me
that's key, go inwards
get awards, dive in
No gin, to soul
how Gull? more hurt
to dirt, stay humble
no Gumble, heal more
Keep score, go hard
get mired, more forward
all toward, one goal
much toll, all well
no hell, Many flames
zero games, count minutes
be infinite, now grow
and know, no home
be stone, you alone
Just hone, zero moan
